2010 AGE ELIGIBILITY RULES

Birthdays and Age Eligibility:

Age Divisions for singles are 10's, 12's, 14's, 16's, and 18's. Some divisions may be combined if insufficient entries. You may "play up" in a higher age group but you can't "play down". You may plan an age division until the month in which you "age out" of that division. For example, if you turn 15 in June you may play 14's up through May, but you must play 16's starting in June.

10 and under if born on or after Oct. 1
